1 Login to the professional accreditation portal as an enterpries

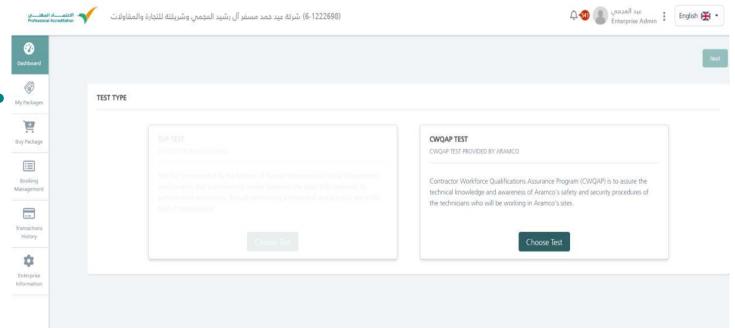

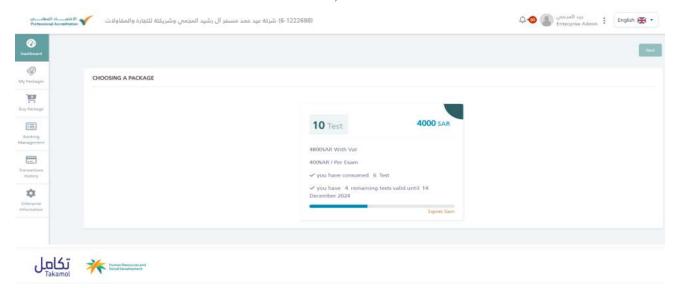

1 Through the homepage of the Professional Accreditation Platform, the employees' information will appear to you. Click on "Book Appointment"

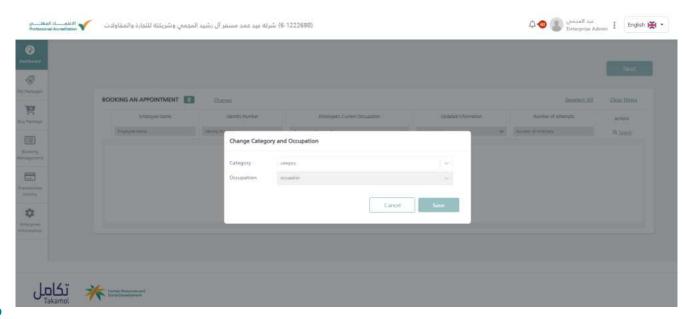

2 Please select the test type

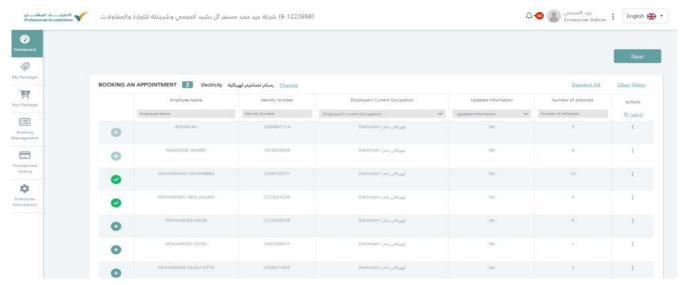

Please select the type of package you would like to use to book the session, as the system will display the dedicated packages that support CWQAP

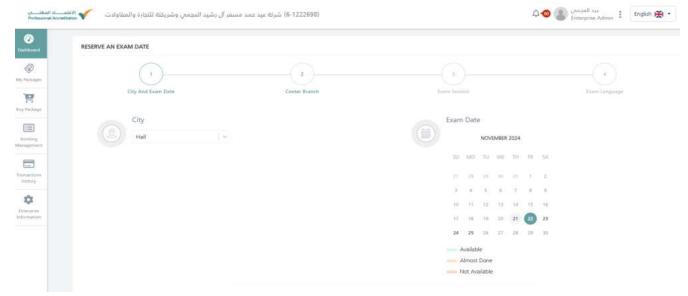

4 Select the category for which the test is being booked

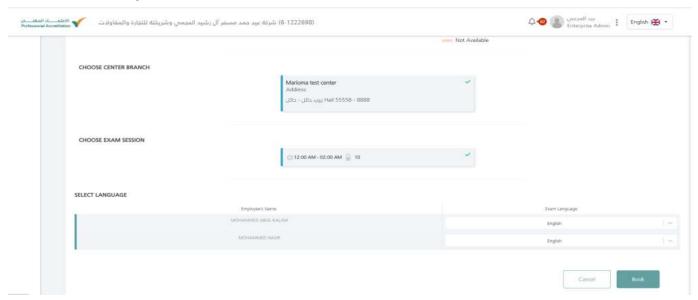

5 The system will display all enterprise employees, and you can book an appointment for any employee regardless of their profession

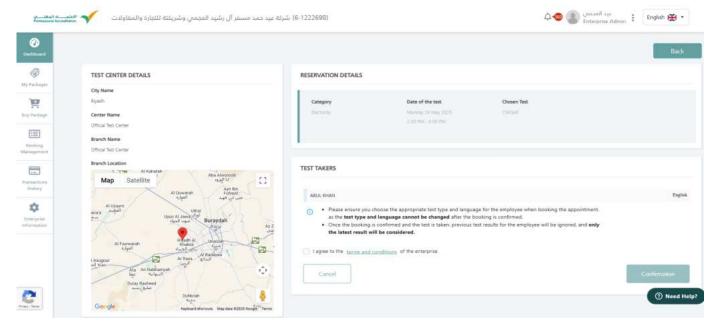

6 Select the city and test date

7 Choose the session and specify the appropriate languages for each employee individually

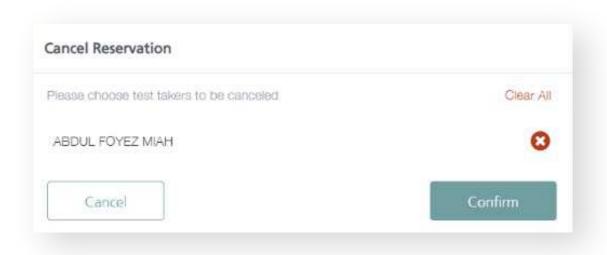

8 You can now review the booking details and agree to the terms and conditions to confirm the booking

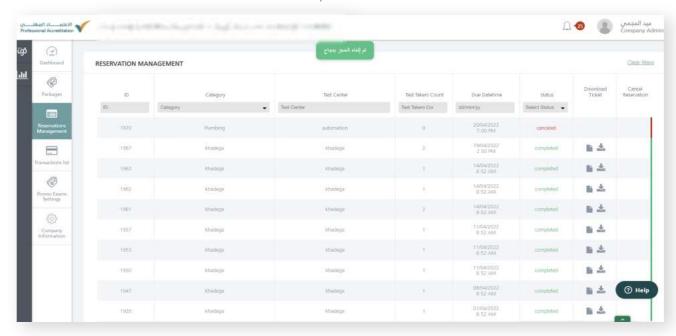

1 Go through the booking management page, then press "Cancel Reservation"

2 Confirm the cancellation

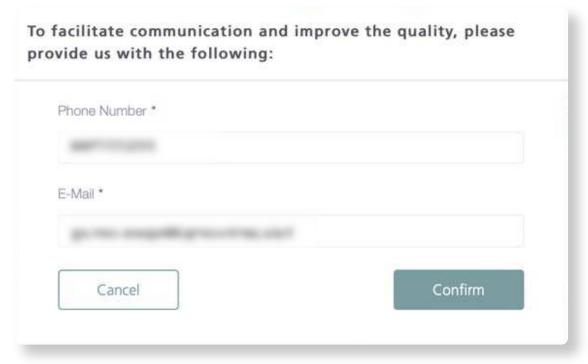

The system will keep the exam amount as a balance "screenshot as in the original file"

Note: the enterprise can cancel the exam only 48 hours before its scheduled date

Service

Update Contact Information to Receive Notifications by SMS

Register the number and email to receive notifications

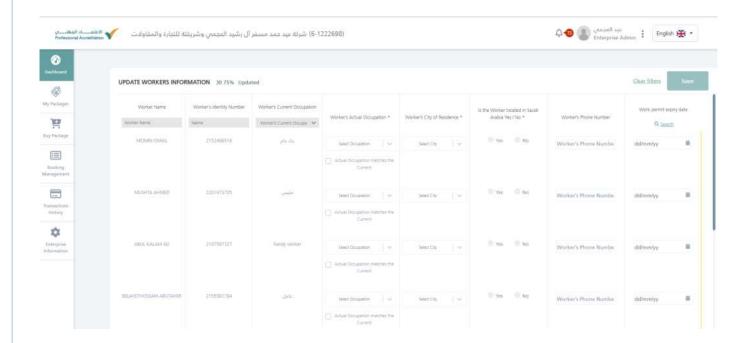

Service Update Employee Information

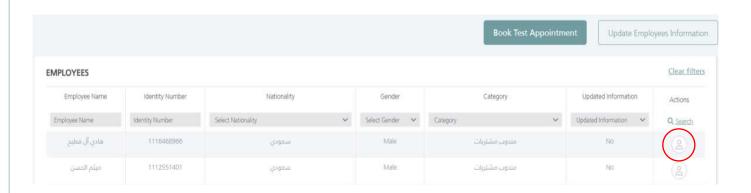

Book Test Appointment

Update Employees Information

1 Click on "Update Employee Information" from the homepage

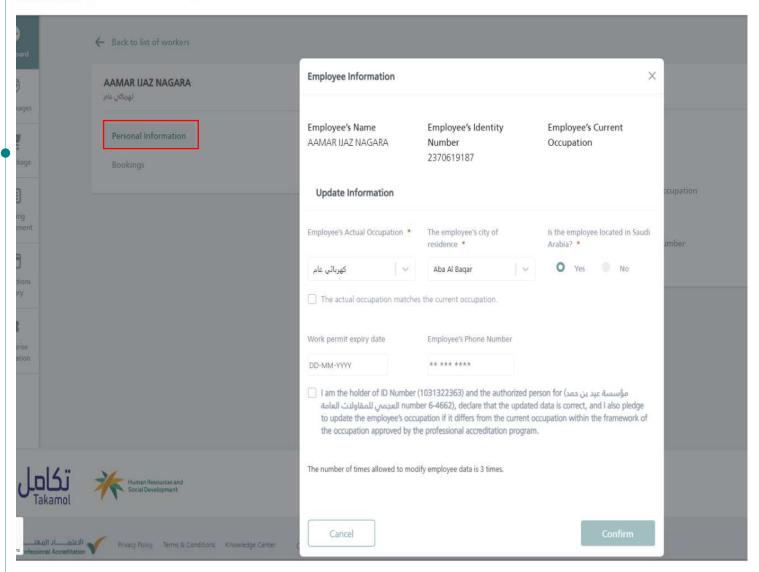

Select the employees whose information you wish to update, then choose "Update Information"

You can update multiple employee at a time

3 Click on "Personal Information." The system will display a pop-up window with the employee's information. Update the details, agree to the acknowledgment, and then click "Confirm"

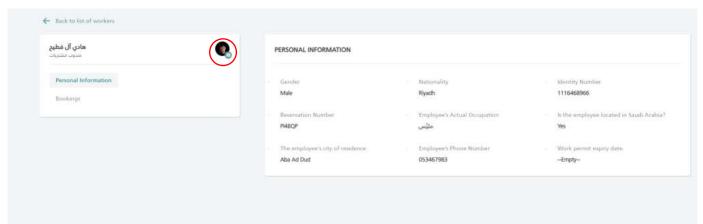

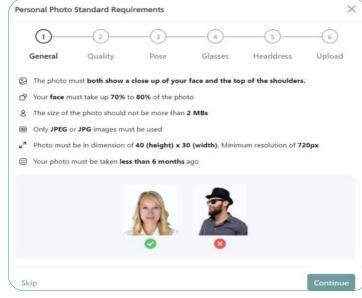

- Upload employee photo

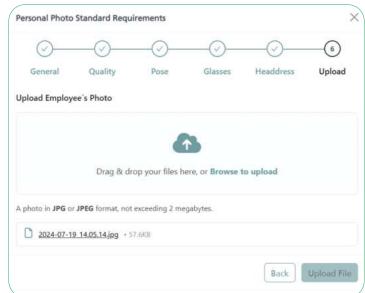

1 From the employee table, click on 'View Employee Details'

2 Click on the image icon to change the employee's photo

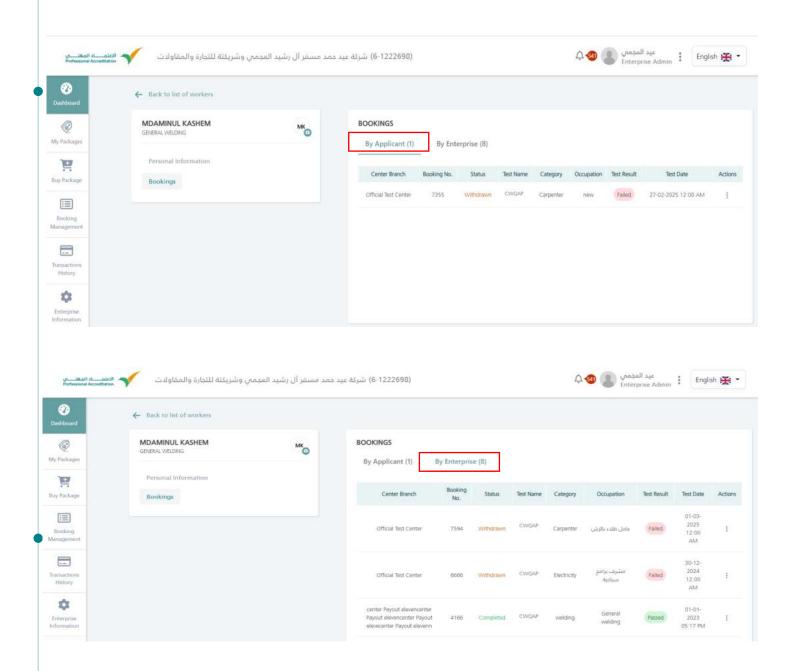

3 Follow all the instructions to upload the employee photo

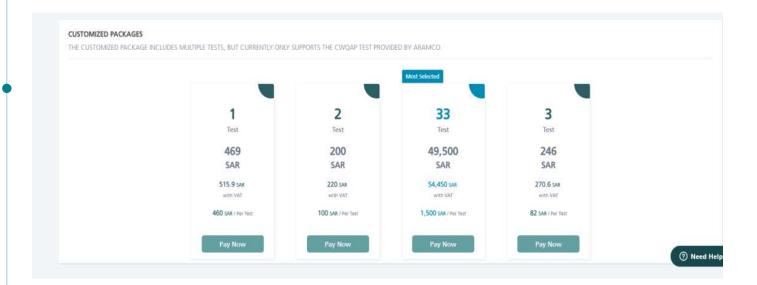

- Review employee bookings

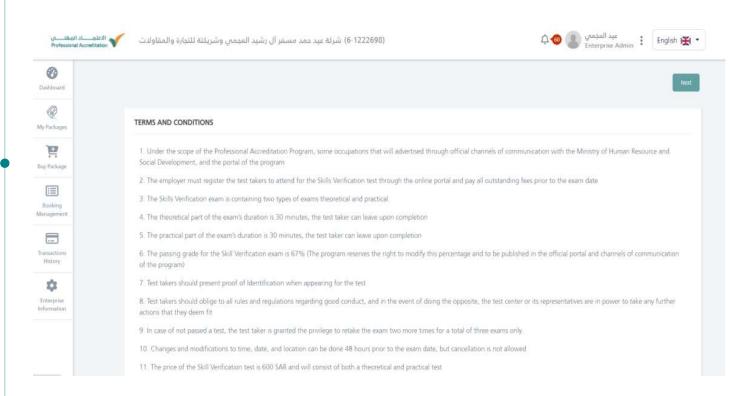

- 4 You can view the employee's bookings by going to the employee details page and then clicking on 'Bookings'
- 5 The system will display the bookings made by the applicant or the enterprise

1 Go to the 'Customized Packages' section from the main menu, select the appropriate package, then click on 'Pay Now'

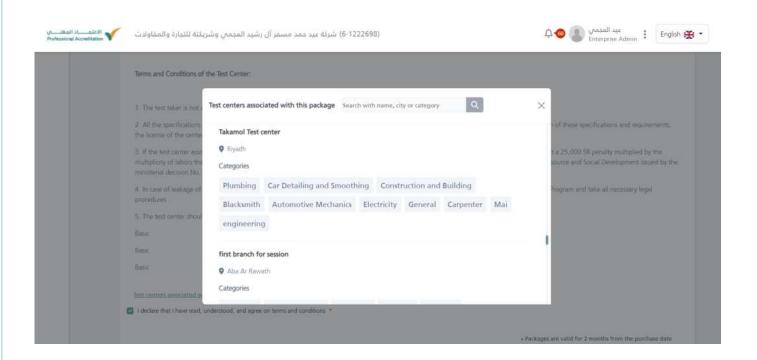

2 Agree to the terms and conditions of the package

Test centers associated with this package

- I declare that I have read, understood, and agree on terms and conditions *
- 3 Click on the test centers associated with the package

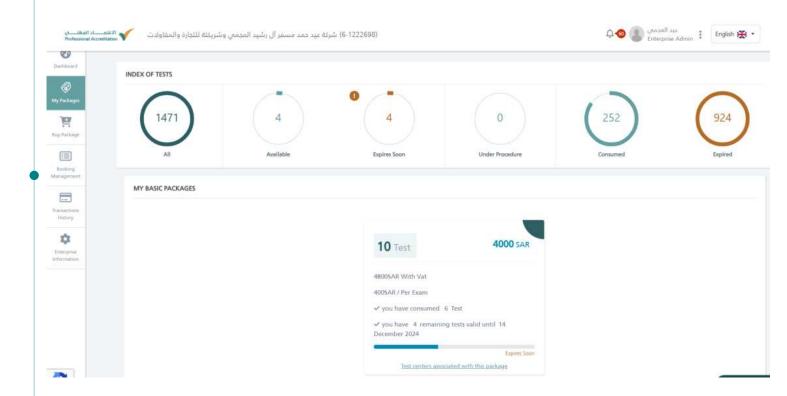

4 The system will display a pop-up window showing the test centers linked to the package

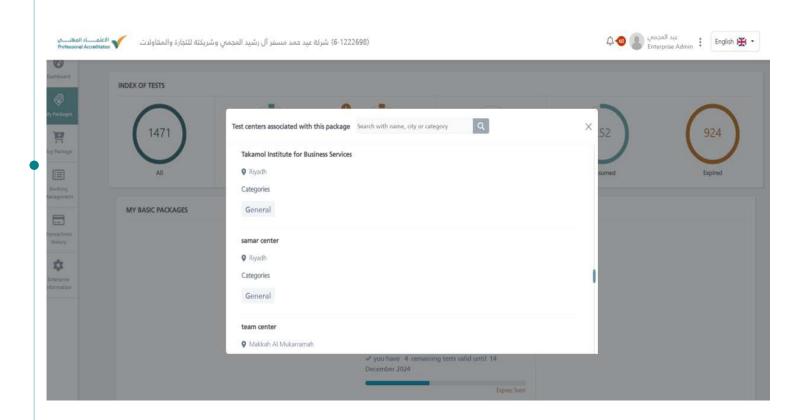

5 After agreeing to the terms and conditions, proceed to the next step, choose a suitable payment method, and complete the payment process

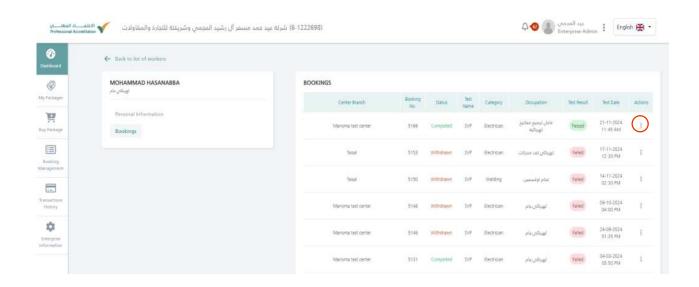

6 From the homepage, go to "My Packages" to view the purchased packages

7 You can review the test centers again by clicking on the test centers associated with the package

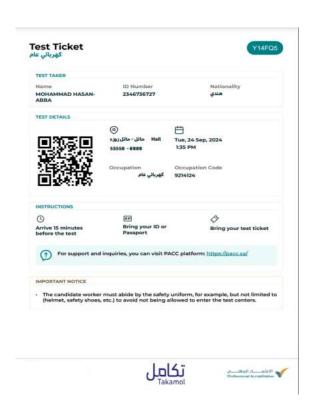

1 To download an employee's certificate or ticket, go to the employee's details page and click on "Reservations."

Download Certificate

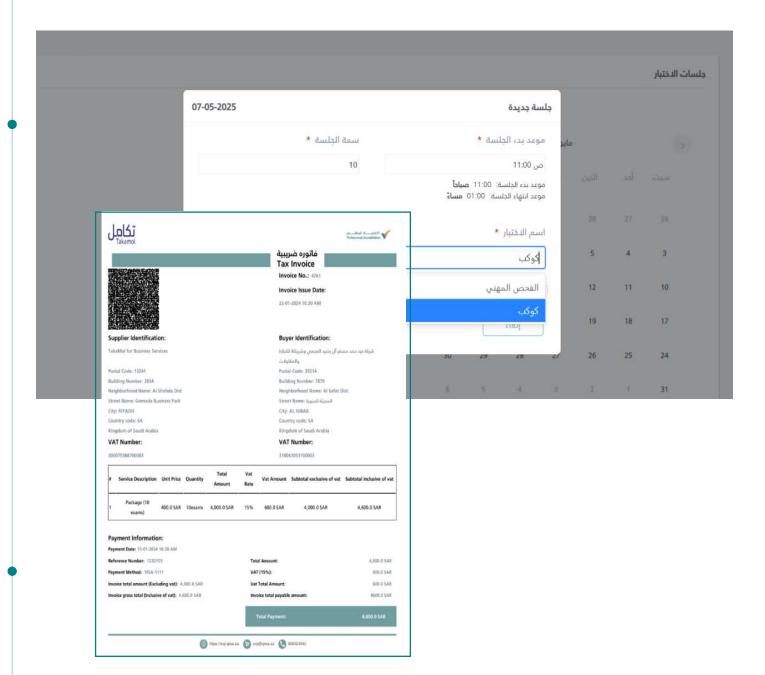

2 then click on the "Download certificate" icon

View past payments, download invoices, and explore your transaction list history conveniently on the transacton list tap

Now the employee can visit the test center in the exam date

Arrive **15** minutes before exam

The employee must bring his iqama/ID

The employee must bring the eam

Important notice

It is important to know the candidate must abide by the safety uniform, for example, but not limited to (helmet, safety shoes, etc.) to avoid not being allowed to enter the test centers
